ESSAY

In addition to the recommendation letters, please attach the following essay:

“How Community Service Has Influenced My Development”

Based on the activities and work experience listed above, please choose the activity or experience that has most influenced your development and describe in an essay format. This essay should include accurate statements regarding the extent of your community service experience, demonstrate outstanding community service accomplishment and describe personal transformation. In describing the activity or experience, please define the task or situation involved, discuss the actions that you implemented as part of the service and the result of such activity both to the community and to you personally. Please attach a typed copy of your essay to the application.
